BUT NOT  
EVEN I COULD  
HAVE IMAGINED HOW  
POWERFUL YOUR  
MIND WOULD BE.

BUT ANAPA KNEW,  
AND YOU DID  
EVERYTHING EXACTLY  
AS HE PREDICTED  
YOU WOULD.

FINDING THE  
PUPPETS, ENSORCING  
YOURSELF IN THEIR MAGIC.  
YOUR ENTIRE LIFE HAS  
BEEN BUILT AROUND  
THIS DESTINY.

AROUND  
OUR LORD,  
ANAPA.

COME,  
NOW, CHILD.  
IT IS TIME.

I WON'T  
LET YOU  
DO THIS.  
I WON'T!!

IT'S CUTE THAT  
YOU THINK YOU  
HAVE A SAY.

ANTHONY!!  
ANTHONY,  
STAY WITH  
ME.

AAHHHHH!!

LOOK AT  
ME, DAMMIT!  
FOCUS!

YOU CAN'T  
STOP THIS,  
TOULON.

YOU HAVE  
TO FIGHT  
THIS!

C-CAN'T!

AAHHHHH!!

LET MY SON  
FULFILL HIS  
DESTINY...

...AND I'LL  
FULFILL  
MINE!

GET OFF  
OF HIM!

YOU  
SHOULD NOT  
HAVE GOTTEN  
INVOLVED.

ENOUGH OF THIS!

WE HAVE WAITED TOO LONG FOR SUCH AN INSIGNIFICANT BEING TO GET IN OUR WAY.

"THIS ALL  
ENDS TONIGHT."

YOU CAN'T  
WIN THIS.

IF YOU  
COULD ONLY  
SEE WHAT WAS  
GOING ON OUTSIDE  
OF THIS ROOM,  
YOU MAY BELIEVE  
DIFFERENTLY.

MAKE IT  
EASY ON  
YOURSELF  
AND SIMPLY  
GIVE UP.

NO, IT'S  
NOT GOING  
TO BE THAT  
EASY.

YOU HAVEN'T  
WON YET. THIS  
IS STILL MY  
MIND!

**GGRRRRROOOOORRRRR**

FINALLY, A  
POSSIBLE  
CHALLENGE.

YOU MAY HIT  
ME ALL YOU  
LIKE, BOY...

...BUT YOU ARE  
STILL JUST A  
CHILD.

AND I AM  
STILL IN  
CHARGE!

MY POWER IS  
GROWING.

"MY PUPPETS  
GROW STRONGER  
BY THE MINUTE."

"SOON, YOUR PUPPETS  
WILL BE NOTHING BUT  
BURNT ASHES."

"AND SOON, I WILL BE  
IN COMPLETE CONTROL  
OF MY NEW BODY."

"AND THE LONGER I AM  
HERE ON EARTH... IN THIS  
LOVELY HOST BODY..."

"...THE MORE BLOOD IS  
SPILLED IN MY NAME..."

"...THE FURTHER MY  
INFLUENCE GROWS!"

"MY ARMY SHALL  
BE LEGION!!"

DO NOT OPEN  
CONTAINS EVIDENCE  
PROPERTY

CAUTION

AND THERE IS  
NOTHING YOU OR  
YOUR LITTLE  
FRIENDS CAN DO  
TO STOP ME.

WHO IS  
NEXT?

# Afterward...

Sorry. It had to be done.

And just in case reading it in the comic page wasn't traumatic enough, here's the script...

---

PAGE 21:

1- Anapa is posturing.

Anapa: I can feel the world bending to my will! So much blood. So much glory!

2- Anapa looks down at Jester standing in front of him, holding the spear as a weapon, ready to attack.

Anapa: So much—

3- Anapa's eyes go wide, looking at Jester. There needs to be a moment of clarity in his eyes, as Anthony has taken back control of his body. This will be show in the lettering as well as it can be, with the text turning back to the normal black in a white balloon (rather than Anapa's white in a black balloon).

Anthony: J-Jester... Hans...

4- Anapa/Anthony, gently lifts Jester off the ground.

5- Anapa/Anthony has Jester held in both hands. One hand behind his lower back/butt, the other behind his upper back/neck, almost as if holding a baby to look at you.

Anthony: ...thank you for...

PAGE 22:

1- Anapa takes back over. With one fluid motion, Anapa slides his hand up from Jester's neck, forcing the three segments of his head right off of the central post that serves as the axis for its spinning.

Anapa: ...for your sacrifice!

2- Shot of the top third of his head flying through the air.

3- All of the puppets are here now, so add extras in the background. Shot of Blade, eye spike poking, mouth hanging open.

4- The jaw third of his head flying through the air.

5- Pinhead puts his hands on his head in disbelief. Again, more puppets in the background.

6- The center third of Jester's head flying through the air. His sad eyes should be the focus of this panel.

---

Again... Sorry.

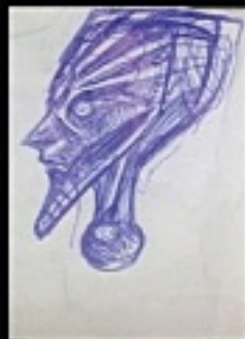

- Shawn Gabborin

# PANEL ZONE: A look behind the curtain at designs with Daniel J Logan!

## A new head for the Decapitron puppet.

Below are Early Designs for the mysterious Pharaoh head that Toulon pops into the vacant Decapitron puppet. A Gem in the forehead and a dark material were set from the start. I really like the idea of wood inlay that radiates from that center gem.

## Anthony: Lion Form

I was trying to mirror Anthony's mask from the "Wooden Boy" arc (issues 8-11) and also the vest that he has worn throughout the series.

## Anapa: Anubis Armor

With this design we wanted to have the Jackal look of Anubis as armor that reflects the ancient depiction of the Egyptian god.
